## MUIRFIELD ASSOCIATION, INC. GUIDELINES FOR BASKETBALL EQUIPMENT INSTALLATION

The installation of all recreational equipment (play sets, trampolines, basketball equipment, swimming pools, tennis courts, spas or hot tubs etc.) requires written permission of the MDCC. All recreational equipment must be located in the buildable area of the lot at least 10' from any neighboring lot lines.

**Portable sports equipment** such as basketball equipment, sports nets, ball returns, etc. must be stored inside when not being used. Portable basketball goals must be painted the trim color of the house.

**Permanently mounted basketball equipment** must be ground-mounted. Acceptable colors are the trim color of the house, black, or forest (dark) green. All parts shall be the same color, including the backboard. Transparent glass or acrylic backboards are permitted and do not need to be painted. It is prohibited to mount basketball backboards on the home or garage. If pole padding is desired, it must be the same color as the pole or removed from the pole whenever not being actively used. All logos on the unit and padding must be removed or painted over. Ball return nets and lighting systems are not permitted on the basketball unit.

The following list is designed to assist you in preparing to submit an application to the Muirfield Design Control Committee and is in accordance with the Muirfield Design Standards:

1. Written approval from the Muirfield Design Control Committee must be obtained before installation begins.
2. Submit two complete applications including pertinent drawings, prints, brochures, and samples to the Muirfield Design Control Committee prior to starting this project.
3. Provide a site plan of property showing the footprint of the house on property, no-build lines, property lines, easements, and other applicable information. Indicate on the site plan the location of the basketball unit. It is prohibited to locate basketball equipment in no-build zones.
4. Basketball units must be ground-mounted. Basketball goals mounted on the house are prohibited.
5. The entire unit, including the pole, mounting bracket and backboard, both front & back, must be painted the trim color of the house, black, or forest (dark) green. All logos must be painted over or removed.
6. Clear acrylic or glass backboards do not need to be painted
7. If padding is utilized, it must be the same color as the unit or removed when it is not in use. Logos must be painted over or removed if the padding remains on the pole.
8. Ball returns and lighting systems are prohibited.
9. Portable basketball units must be painted the trim color of the house and stored indoors when not in use.
10. Provide photos of the area where the unit will be located.
11. In some cases, landscape materials may be required to provide a barrier between neighboring properties.

If you have any questions, please contact the Association office, 889-0922.
