

## GARAGE/YARD SALE INFORMATION

Muirfield residents wishing to hold yard or garage sales are welcome to do so without informing the Association office. Please read the following policies and information pertaining to yard/garage sales.

### Yard Sale Signage

In the past, Muirfield Village has been besieged with non-approved garage sale signs. At a board meeting, the Board discussed ways to control the unattractive sign clutter and how the signs violate the Warranty Deed and Design Standards. To cooperate with residents' wishes to identify their activity and to provide information on the type of signage permitted, the Trustees authorized funds to produce approved garage sale signs for residents' use. The Association office maintains a supply these signs. Listed below is the policy for displaying garage sale signs in Muirfield Village:

1. Only Muirfield-approved Garage Sale signs permitted.
2. The Association office will maintain and dispense signs to residents.
3. There is no charge to residents for signs.
4. Each resident may have one sign positioned on their property.
5. The sign is to be placed on the resident's property only.
6. Directional signage is not permitted.
7. Signs may not be posted in a city right-of-way, on Association property, utility poles, stop signs, or fences.
8. No other type of garage sale sign is permitted within Muirfield Village. When observed, all non-approved signs will be removed by Association staff.

Residents are welcome to stop by the Association office any time between 8 a.m. and 4:30 p.m. to pick up one free Association-approved yard sale sign.

The Association encourages residents to utilize electronic media to advertise the sale.
