Absent: Lonnie McLaughlin, Rory Gaydos, Pat O'Loughlin

- I. Call to Order - Tom Oleksa at 5:30

- II. The normal meeting agenda was suspended so that the comments and scores collected from the most recent resident survey could be reviewed and discussed.
 1. Walter presented a PowerPoint presentation which detailed the numerical responses to the Grounds & Facilities questions. The results were discussed by the members of the Committee. Everyone was pleased with the 1,000+ responses to this survey and felt that the residents had made their thoughts on our community very clear.
 2. Erin Hull sorted all of the resident comments into categories so that they could be reviewed by the Committee. These comments need to be communicated to the Board in a concise manner. So, each Committee member selected an area to analyze and summarize. The following were assigned to Committee members:

Pathways	Fred
Pool	Alesia
Signage	Gary
Playground	Lou
Entrances	Pam
Fence	Pat
Tennis	Rory
Other	Tom

Each member is to review and summarize their comments. A special meeting is scheduled for December 1, 2014 to discuss the findings and to prepare a Board report.

- III. Adjournment
Meeting was adjourned at 7:00 pm
