**Incumbent*

The nominees have submitted the following biographical sketches:

MARILEE CHINNICI-ZUERCHER - 6043 Glenbarr Place **Incumbent*

Since 2002, I have lived in Glenbarr Condominiums of Muirfield Village. I have been a lifelong volunteer, so when I moved to Dublin, I decided to get involved in local government activities. Dublin City Council appointed me to the Personnel Board of Review and ultimately to the Planning and Zoning Commission, which I chaired. I ran and won election to Dublin City Council, retiring after serving 16 years as an At-Large Member. During that time, I served 6 years as Mayor and 4 years as Finance Committee Chair. In 2015, after 22 years, I retired from being the CEO of HandsOn Central Ohio. I was a Board Member of the Points of Light Foundation and the International Association of Volunteer Efforts (IAVE) , national and international organizations promoting volunteerism throughout the world.

Since joining the Muirfield Board, I initiated the Board having a Treasure's position and became the Treasurer of MA, in that capacity I chaired the Finance Committee. The Finance committee met quarterly to review our expenditures to ensure they were consistent with the approved budget. I assisted in the development of an RFP for an auditor, interviewed and hired an auditor for the Muirfield Association. I am currently a member of the Finance Committee.

I AM ASKING FOR YOUR VOTE to continue stewardship of our finances and grounds maintenance, which will enable Muirfield to continue to be considered one of the premier places to live in Dublin and Central Ohio.

DIANA EVANS - 6020 Springburn Drive **Incumbent*

Hello,

My name is Diana Evans. I am currently a Director for the Village of Muirfield and asking for your vote to continue. I have been fortunate to work with residents who want Muirfield to be a long-lasting beautiful and successful community. We directors try to make the best financial decisions for Muirfield residents to keep our residential dues low as possible.

I want us to have a good healthy pleasant life by living in a great walking, biking, running community and to keep our 29 miles of pathway safe and scenic. The exciting news is that Muirfield is fortunate that the Dublin Arts Council and the City of Dublin have selected our area for a new display of art along Muirfield Drive.

The staff is always looking for areas to plant more trees and shrubs, Muirfield owns and repairs our paths, not the bike paths that are along Muirfield Road, but our interior path. If you notice an area that needs repair, please let us know.

As Muirfield developed many of our wildflowers like bleeding heart, trillium have disappeared. We need to bring these beautiful, interesting, historic flowers back.

My family are members of Dublin Community Church, I am a docent at the Columbus Zoo, past officer of an Investment Club and Muirfield Garden Club. Past Commodore of Leatherlips Yacht Club, enjoy Muirfield Empty Nesters and Buckeye Ranch Sustaining Board. We race sailboats and golf.

AMANDA FRY – 6242 Balmoral Drive

My name is Amanda Fry, and I have been a proud Muirfield resident for 10 years. I currently work for Dublin City Schools at Eli Pinney Elementary as a Building Educational Attendant. My husband, Bryan, and I have two children, Amelia (5th grade) and Grant (3rd grade) at Deer Run Elementary. This year, I was honored to be nominated to serve on my church's executive board for Children's Ministry at Indian Run United Methodist Church.

I hold an undergraduate degree from Muskingum University and a master's from The University of Akron. My passion for community engagement, financial responsibility, and long-term planning drives my desire to serve on the Muirfield Association Board.

My priority is to attract and retain the next generation of Muirfield residents by making our community a place families want to call home. To achieve this, I advocate for modernizing amenities, enhancing community spaces, and implementing improvements that add value.

Communication is key to transparency and resident engagement. I will work to establish more accessible and efficient communication through digital platforms such as Facebook, X (Twitter), Instagram, text alerts, and an updated website. This could lead to the formation of a Communication Committee, ensuring all residents feel informed and involved.

I am committed to preserving the beauty of Muirfield while ensuring its long-term success. I would be honored to serve and help shape the future of our community.

NICOLE QUALLS GRAHAM, JD, MPH – 5907 Saint Fillans Court East

My name is Nicole Qualls Graham and I seek your support for a seat on the Muirfield Homeowners Association Board. I have called Ohio home for almost fifteen years and a resident of Muirfield for seven of those years. I earned a law degree in 2004 and have spent my career in medical education, leading the improvement and development of residency and fellowship programs in various health systems nationwide. Currently, I am the Director of Medical Education at Riverside Methodist Hospital. I have a record of commitment to community that is demonstrated by my recent board memberships with the Association of Hospital Medical Education and PrimaryOne Health.

Muirfield is a spectacular place to live, grow and thrive. This is due to our collective commitment to community and the care with which we tend to our neighborhood. I am seeking a seat on the board to support work that would strengthen our community bond. Specifically, I would advocate to expand the recreational activities available in Muirfield, such as running and biking clubs and perhaps even a community garden. I would also advocate for continued responsible budgeting to ensure HOA funds are allocated efficiently, balancing necessary improvements with fiscal responsibility.

With my leadership experience, problem-solving skills, and passion for our community's success, I am confident in my ability to effectively represent your concerns and standards. I respectfully ask for your support and look forward to the opportunity to contribute to our community's continued growth and beauty

JOHN REINER - 8977 Turin Hill Court North **Incumbent*

My wife, Sheila and I, have been residents of Muirfield Village for forty-five years and are the parents of four children. I am Co-President of Oakland Nursery, Inc. I am a graduate of The Ohio State University and attended Harvard University Graduate School of Design, Continuing Professional Education Management and Marketing.

I have served on the Muirfield Association Board of Directors for the past thirty-five years having been president 1992 through 1994. I also serve on the Muirfield Design Control Committee. I was Vice Chairman of the Dublin Planning and Zoning Commission for eight years and was the recipient of the 1990 Citizen of the Year Award from the City of Dublin. I received the Society of Landscape Architects highest award for my work with progressive legislation. In 1996, I was honored as a "Community Hero" and was selected to carry the Olympic torch for my charitable activities and service to the city. I currently serve the Governor of the State of Ohio as a member of the Board of Landscape Architect.

I was appointed to Dublin City Council in 1997, and continue as Ward III Councilman, which covers the majority of Muirfield Village. I wrote and assisted with much of the early legislation that has set Dublin apart from other cities (regarding signage, land use, park acquisition, bicycle trails, landscaping, and underground utilities).

My primary goal as a returning board member is to continue to find ways that maximize the re-sale value of Muirfield homes and also protect the quality-of-life issues that attract families to our community. I have been resolute in keeping our association dues as low as possible and keeping the quality of our community extraordinary. I humbly seek your support in these endeavors.
