

The following residents have been nominated to serve on the Muirfield Association Board of Directors for a 3-year term.

BOARD OF DIRECTOR NOMINEES:

Robert Fathman*
Ray DiRossi*
Rory Gaydos*
Chris Nay

**Incumbent*

The nominees have submitted the following biographical sketches:

ROBERT FATHMAN - 5805 TARTON CIRCLE NORTH

My wife and I have lived in Muirfield for 35 years and have been involved in many ways. First as a Board Member of the Association and now as Board President, I have been an advocate not just for keeping Muirfield up to date, but for advancing it *ahead* of newer subdivisions. I have improved communications by frequently sending out email blasts about happenings in Muirfield and Dublin, election info, and notices of road closures.

The Association has upgraded landscaping for Muirfield neighborhood entrances, added stone walls and new flowers and irrigation systems where water is available, and pickleball has been added to our tennis facilities. Changing legal representation has resulted in vastly improved collection of past-due accounts and better compliance with deed requirements.

This coming year is one of the most significant in HOA history, as we build the replacement swimming pool north of Glick Rd. without a special assessment and as we work with the City to plan for huge water mains coming down Muirfield Drive starting in 2027.

Directors need to look forward, and not just be content with the past. I want Muirfield to be the place where your home value increases, and where your children and grandchildren will return to live. As you consider candidates, I hope you will support the efforts I've made to move Muirfield forward financially, aesthetically and with improved communication.

I respectfully ask for your vote to keep me working on your behalf.

RAY DIROSSI – 5732 SPRINGBURN DRIVE

My wife and I moved to Muirfield in 2005 and I have stayed very involved volunteering my time to enhance life for our community and residents.

I served as Muirfins Board member while our kids were on the swim team. In 2011, I joined the Muirfield Village Civic Association (MVCA), which later became the Muirfield Social Activities Committee (MSAC). These committees are responsible for delivering social activities and events in Muirfield. Some of our most popular events are the Santa Brunch, Fishing Derby, Spring Egg Hunt and Annual garage sale. (I've been known to wear a Santa suit and bunny costume a few times each year) Last year, we started a new event – the 1st Annual putting contest at the redesigned Muirfield Pitch & Putt.

I served as MVCA Chair for 4 years and have served as Chair of MSAC for almost a decade. In 2023, I was elected to my first term as a member of the Muirfield Association.

My professional career focuses on Ohio's budgets and financial policy, financial skills that have been an asset to our Board making the best use of limited resources including the planned replacement of both of our community pools. I want to continue serving you to keep Muirfield Village a beautiful and vibrant community. Muirfield is amazing, with wonderful people, a great history and is an incredible place to raise a family.

I am seeking your support to stay on the Board, and I respectfully ask for your vote.

RORY GAYDOS – 8900 TURIN HILL COURT NORTH

I am seeking re-election to the Muirfield Board of Directors. Serving three terms has been an honor, and I believe I can continue to provide steady, thoughtful leadership as we work to keep Muirfield the strongest and most desirable community in Dublin.

My family and I are proud to call Muirfield home. My wife Christina Alutto serves as an at-large Dublin City Council member, and we have five children, four of whom are currently in college. Our family remains active in supporting and giving back to the community, and we care deeply about protecting what makes Muirfield special.

During my time on the board, I have focused on helping ensure our association remains fiscally sound while continuing to invest in improvements that enhance property values and quality of life. I have been heavily involved in the planning and oversight of the new pool renovation, and I remain committed to making sure our paths, green spaces, and common areas are well maintained for residents now and in the future.

I will continue working to plan responsibly, operate efficiently, and partner closely with the City of Dublin, so Muirfield remains a premier community for years to come.

I would appreciate your support and your vote.

CHRIS NAY – 8670 BIRGHAM COURT SOUTH

I have lived in Muirfield Village since 2011 with my wife Patrice. I have been working from home as a data scientist for NielsenIQ since 2016. We do not have any children but we do have a dog and two cats. I love to stay active by cycling and playing tennis. We also love to travel. We are going to the Netherlands this April for a riverboat cruise. The reason I want to serve is because of the wonderful neighbors in our community. I have lived in a number of neighborhoods in Ohio and Muirfield Village has by far been the best and it is because of the people. We can rely on one another in this community, whether it be taking an elderly neighbor's dog for a walk or just letting someone borrow something to help out. I also have been taking advantage of the tennis program here at Muirfield Village. It is a great way to meet people, get some exercise, and have some fun. As a member of the board, I want to focus on what matters to the people of our community by keeping HOA dues fair and efficient but at the same time adding amenities and benefits that help Muirfield remain the place to live in Columbus. I hope that you will consider me to be a member of the Muirfield Board of Directors.

Thank You,

Chris Nay
